(6) **Deposit of Redemption Price.** At any time after the Redemption Notice is given, the Bank will have the right to deposit the Cash Redemption Price of any or all Series 47 Preferred Shares called for redemption with the Bank or with any chartered bank or trust company in Canada named in the Redemption Notice, including the Transfer Agent, to the credit of a special account for the respective holders of those Series 47 Preferred Shares to be paid on surrender to the Bank or that chartered bank or trust company of the certificate or certificates representing those Series 47 Preferred Shares. Any such deposit will constitute payment and satisfaction of the Cash Redemption Price of the Series 47 Preferred Shares for which the deposit is made and the rights of the holders of those shares will be limited to receiving the proportion (less any tax required or permitted by law to be deducted or withheld) of the Cash Redemption Price so deposited applicable to those shares, without interest, on presentation and surrender of the certificate or certificates representing the Series 47 Preferred Shares being redeemed. After payment of those amounts, the holders of the Series 47 Preferred Shares will not be entitled to share in any further distribution of the property or assets of the Bank. If a Contingent Conversion has occurred, all Series 47 Preferred Shares shall have been converted into Common Shares which will rank on a parity with all other Common Shares.

6. Restrictions on Dividends and Retirement of Shares

As long as any Series 47 Preferred Shares are outstanding, the Bank will not at any time, without the approval of the holders of the Series 47 Preferred Shares given as provided in Section 12:

The Voting Rights of the holders of the Series 47 Preferred Shares will cease on payment by the Bank of the first dividend on the Series 47 Preferred Shares to which the holders are entitled under these Series 47 Preferred Shares Provisions after the time the Voting Rights first arose until such time as the Bank may again fail to declare the dividend in full on the Series 47 Preferred Shares in any quarter, in which event the Voting Rights will become effective again and so on from time to time.

Each Election Notice shall be irrevocable once received by the Bank or its nominee
- (b) Subject to the provisions of Section 13, in the event the Bank is required to convert all remaining outstanding Series 47 Preferred Shares into Series 48 Preferred Shares on the applicable Series 47 Conversion Date as provided for in subsection 8(2), the Series 47 Preferred Shares in respect of which the holders have not previously elected to convert shall be converted on the Series 47 Conversion Date into Series 48 Preferred Shares and the holders thereof shall be deemed to be holders of Series 48 Preferred Shares at 5:00 p.m. (Toronto time) on the Series 47 Conversion Date and shall be entitled, upon surrender during usual business hours at the offices of the Transfer Agent in Calgary, Alberta or Toronto, Ontario at which the Series 47 Preferred Shares were transferable of the certificate or certificates representing Series 47 Preferred Shares not previously surrendered for conversion, to

receive a certificate or certificates representing the same number of Series 48 Preferred Shares in the manner and subject to the terms and provisions as provided in this subsection 8(3).

- (c) Subject to the provisions of Section 13, as promptly as practicable after the Series 47 Conversion Date, the Bank shall issue and deliver, or cause to be delivered to or upon the written order of the holder of the Series 47 Preferred Shares so surrendered, a certificate or certificates, issued in the name of, or in such name or names as may be directed by, such holder representing the number of fully-paid and non-assessable Series 48 Preferred Shares and the number of remaining Series 47 Preferred Shares, if any, to which such holder is entitled. Such conversion shall be deemed to have been made at 5:00 p.m. (Toronto time) on the Series 47 Conversion Date, so that the rights of the holder of such Series 47 Preferred Shares as the holder thereof shall cease at such time and the person or persons entitled to receive Series 48 Preferred Shares upon such conversion shall be treated for all purposes as having become the holder or holders of record of such Series 48 Preferred Shares at such time.
- (d) The holder of any Series 47 Preferred Share on the record date for any dividend declared payable on such share shall be entitled to such dividend notwithstanding that such share is converted into Series 48 Preferred Shares after such record date and on or before the date of the payment of such dividend.
- (e) Subject to the provisions of Section 13, the issuance of certificates for the Series 48 Preferred Shares upon the conversion of Series 47 Preferred Shares shall be made without charge to the converting holders of Series 47 Preferred Shares for any fee or tax in respect of the issuance of such certificates or the Series 48 Preferred Shares represented thereby; provided, however, that the Bank shall not be required to pay any tax that may be imposed upon the person or persons to whom such Series 48 Preferred Shares are issued in respect of the issuance of such Series 48 Preferred Shares or the certificate therefor or any security transfer taxes, and the Bank shall not be required to issue or deliver a certificate or certificates in a name or names other than that of the holder of the Series 47 Preferred Shares converted unless the person or persons requesting the issuance thereof shall have paid to the Bank the amount of any such security transfer tax or shall have established to the satisfaction of the Bank that such tax has been paid.

(4) Upon exercise of the Conversion Privilege by a holder of Series 47 Preferred Shares, or upon an automatic conversion, pursuant to subsection 8(2), of Series 47 Preferred Shares of a holder, whose address is in, or whom the Bank or the Transfer Agent has reason to believe is a resident of, the United States of America, its territories or possessions or other jurisdiction (other than Canada), the laws of which would require the Bank to comply with the registration, prospectus, filing or other similar requirements under the applicable securities laws of such jurisdiction, the Bank reserves the right not to issue Series 48 Preferred Shares to any such holder.

(5) The Bank reserves the right not to (i) deliver Series 48 Preferred Shares to any person whom the Bank or its Transfer Agent has reason to believe is an Ineligible Person or any person who, by virtue of that conversion, would become a Significant Shareholder or (ii) record in its securities register a transfer or issue of Series 48 Preferred Shares to any person whom the Bank or its Transfer Agent has reason to believe is an Ineligible Government Holder based on a declaration submitted to the Bank or its Transfer Agent by or on behalf of such person. In such circumstances, the Bank or its agent will hold, as agent of any such person, all of the relevant number of Series 48 Preferred Shares otherwise to be delivered to such Ineligible Persons or persons who would become Significant Shareholders or registered to such Ineligible Government Holders, as the case may be, and the Bank or its agent will deliver such shares to a broker retained by the Bank for the purpose of selling such Series 48 Preferred Shares to parties other than the Bank and its affiliates on behalf of any such person. The net proceeds received by the Bank or its agent from the sale of any such Series 48 Preferred Shares will be delivered to any such person, after deducting the costs of sale and any applicable withholding taxes, by cheque. The Bank will provide a cheque representing the aggregate net proceeds to the Depository (if the Series 47 Preferred Shares are then held in the Book-Entry System) in accordance with the regular practices and procedures of the Depository or, in all other cases, to such Ineligible Persons, such persons who would become Significant Shareholders or such Ineligible Government Holders.

9. Conversion into Common Shares Upon a Trigger Event

(1) Upon the occurrence of a Trigger Event, each Series 47 Preferred Share will be, and will be deemed, for all purposes, to be, automatically converted (a "Contingent Conversion"), without the consent of the holders thereof, into that number of fully-paid Common Shares determined by the Contingent Conversion Formula. In any case where the aggregate number of Common Shares to be issued to a holder of Series 47 Preferred Shares pursuant to this section includes a fraction of a Common Share, such number of Common Shares to be issued to such holder shall be rounded down to the nearest whole number of Common Shares and no cash payment shall be made in lieu of such fractional Common Share.

(2) Subject to subsection 9(3), as promptly as practicable after the occurrence of a Trigger Event, the Bank shall announce the Contingent Conversion by way of a press release and shall give notice of the Contingent Conversion in accordance with the provisions of paragraph 2(1)(d) to the then registered holders of the Series 47 Preferred Shares. As promptly as practicable after the Trigger Event, the Bank shall deliver or cause to be delivered certificates representing the Common Shares registered in the name of the holders of the Series 47 Preferred Shares, or as such holder shall have directed, on presentation and surrender at the offices of the Transfer Agent in Calgary, Alberta or Toronto, Ontario for the Series 47 Preferred Shares of the certificate or certificates for the Series 47 Preferred Shares. From and after the Trigger Event, the Series 47 Preferred Shares shall cease to be outstanding, the holders thereof shall cease to be entitled to dividends thereon, including any dividends declared but not paid prior to the Trigger Event, and any certificates representing the Series 47 Preferred Shares shall represent only the right to receive upon surrender of such certificate the applicable number of Common Shares specified in subsection 9(1) above. A Contingent Conversion shall be mandatory and binding upon both the Bank and all holders of the Series 47 Preferred Shares notwithstanding anything else including, without limitation: (a) any prior action to or in furtherance of redeeming, exchanging or converting the Series 47 Preferred Shares pursuant to the other terms and conditions herein; and (b) any delay in or impediment to the issuance or delivery of the Common Shares to the holders of the Series 47 Preferred Shares.

(3) Notwithstanding any other provision of this Section 9, upon a Contingent Conversion the Bank reserves the right not to (i) deliver Common Shares to any person whom the Bank or its Transfer Agent has reason to believe is an Ineligible Person or any person who, by virtue of the Contingent Conversion, would become a Significant Shareholder, or (ii) record in its securities register a transfer or issue of Common Shares to any person whom the Bank or its Transfer Agent has reason to believe is an Ineligible Government Holder based on a declaration submitted to the Bank or its Transfer Agent by or on behalf of such person. In such circumstances, the Bank or its agent will hold, as agent of any such person, all or the relevant number of Common Shares otherwise to be delivered to such Ineligible Persons or persons who would become Significant Shareholders or registered to such Ineligible Government Holders, as the case may be, and the Bank or its agent will deliver such shares to a broker retained by the Bank for the purpose of selling such Common Shares to parties other than the Bank and its affiliates on behalf of any such person. Such sales (if any) will be made at such times and at such prices, as the Bank (or its agent as directed by the Bank), in its sole discretion, may determine. Neither the Bank nor its agent will be subject to any liability for failure to sell any such Common Shares on behalf of any such person or at any particular price on any particular day. The net proceeds received by the Bank or its agent from the sale of any such Common Shares will be delivered to any such person, after deducting the costs of sale and any applicable withholding taxes, by cheque. The Bank will provide a cheque representing the aggregate net proceeds to the Depository (if the Series 47 Preferred Shares are then held in the Book-Entry System) in accordance with the regular practices and procedures of the Depository or, in all other cases, to such Ineligible Persons, such persons who would become Significant Shareholders or such Ineligible Government Holders.

10. Adjustment of Floor Price

(1) If the Bank:

- (a) issues Common Shares or securities convertible into or exchangeable for Common Shares to the holders of all or substantially all of the outstanding Common Shares as a stock dividend;
- (b) subdivides, re-divides or changes its outstanding Common Shares into a greater number of Common Shares; or

- (c) reduces, combines or consolidates its outstanding Common Shares into a smaller number of Common Shares,

(any of such events in paragraphs 10(1)(a) to (c), being called a “Common Share Reorganization”), then the Floor Price then in effect will be adjusted in accordance with the following sentence immediately on the effective date or record date, as the case may be, for the happening of the Common Share Reorganization on which the holders of Common Shares are determined for the purpose of the Common Share Reorganization. Upon a Common Share Reorganization, the Floor Price shall be adjusted so that it will equal the price determined by multiplying the Floor Price in effect immediately prior to such effective date or record date by a fraction:

- (i) the numerator of which will be the total number of Common Shares outstanding on such effective date or record date before giving effect to such Common Share Reorganization; and
- (ii) the denominator of which will be the total number of Common Shares outstanding immediately after giving effect to such Common Share Reorganization (including, in the case where securities exchangeable for or convertible into Common Shares are distributed, the number, without duplication, of Common Shares that would have been outstanding had all such securities been exchanged for or converted into Common Shares on such effective date or record date).

(2) In the event of a capital reorganization, consolidation, merger or amalgamation of the Bank or comparable transaction affecting the Common Shares, the Bank shall take all necessary action to ensure that the holders of Series 47 Preferred Shares, receive, pursuant to a Contingent Conversion, after such capital reorganization, consolidation, merger, amalgamation or comparable transaction, the number of shares or other securities that the holders of Series 47 Preferred Shares would have received if the Contingent Conversion occurred immediately prior to the record date of the capital reorganization, consolidation, merger, amalgamation or comparable transaction.

(3) In any case in which this Section 10 requires that an adjustment will become effective immediately after a record date for an event referred to herein, the Bank may defer, until the occurrence of such event, issuing to the holder of any Series 47 Preferred Shares upon a Contingent Conversion occurring after such record date and before the occurrence of such event, the additional Common Shares issuable upon such conversion by reason of the adjustment required by such event, provided, however, that the Bank will deliver to such holder evidence of such holder’s right to receive such additional Common Shares upon the occurrence of such event and the right to receive any dividends or other distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the date of conversion or such later date on which such holder would, but for the provisions of this subsection 10(3), have become the holder of record of such additional Common Shares.

(4) For the purposes of this Section 10:

- (a) the adjustments provided for in this Section 10 are cumulative and will be computed to the nearest one-tenth of one cent and will be made successively whenever an event referred to therein occurs, subject to the following provisions of this subsection 10(4);
- (b) no adjustment in the Floor Price will be required unless the cumulative effect of such adjustment would result in a change of at least 1% in the prevailing Floor Price; provided, however, that any adjustments which, except for the provisions of this paragraph 10(4)(b) would otherwise have been required to be made, will be carried forward and taken into account in any subsequent adjustment;
- (c) no adjustment in the Floor Price will be required upon the issuance from time to time of Common Shares pursuant to a Contingent Conversion or any stock option plan, share purchase plan or dividend reinvestment plan of the Bank, as such plans may be replaced, supplemented or further amended from time to time;
- (d) if at any time a dispute arises with respect to adjustments provided for in this Section 10, such dispute will be conclusively determined, subject to the consent if required, of the Toronto Stock Exchange and

any other stock exchange on which the Common Shares are then listed, by the Bank's auditors, or if they are unable or unwilling to act, by such other firm of independent chartered accountants as may be selected by action of the Board of Directors and any such determination will be binding upon the Bank, the holders of the Series 47 Preferred Shares and the other shareholders of the Bank; such auditors or accountants will be given access to all necessary records of the Bank; and

- (e) if the Bank sets a record date to take any other action and thereafter and before the taking of any action, the Bank abandons its plan to take such other action, then no adjustment in the Floor Price will be made.

(5) The Bank will from time to time, immediately after the occurrence of any event that requires an adjustment or readjustment as provided in this Section 10, deliver a certificate of the Bank to the transfer agent for the Series 47 Preferred Shares specifying the nature of the event requiring the same and the amount of the adjustment or readjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, and the Transfer Agent will be entitled to act and rely upon such certificate of the Bank. Such certificate of the Bank and the amount of the adjustment specified therein will be conclusive and binding on all parties in interest. Until such certificate of the Bank is received by the Transfer Agent, the Transfer Agent may act and be protected in acting on the presumption that no adjustment has been made or is required. Except in respect of any subdivision, re-division, change, reduction, combination or consolidation of the Common Shares contemplated by paragraphs 10(1)(b) and 10(1)(c), the Bank will forthwith give notice to the holders of the Series 47 Preferred Shares specifying the event requiring such adjustment or readjustment and the amount thereof, including the resulting Floor Price.

11. Issue of Additional Shares and Amendments to Series 47 Preferred Shares

(1) **Issue of Additional Shares.** The Bank may issue shares of any other series of preferred shares of the Bank ranking on a parity with the Series 47 Preferred Shares without authorization of the holders of Series 47 Preferred Shares, if at the date of such issuance all cumulative dividends up to and including the dividend payment for the last completed period for which such cumulative dividends shall be payable shall have been declared and paid or set apart for payment in respect of each series of cumulative First Preferred Shares then issued and outstanding and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of non-cumulative First Preferred Shares then issued and outstanding.

(2) Amendments to Series 47 Preferred Shares.

- (a) The Bank will not without, but may from time to time with, the approval of holders of the Series 47 Preferred Shares given as specified in Section 12, delete, amend or vary any of these Series 47 Preferred Shares Provisions.
- (b) In addition to the approval in paragraph 11(2)(a), the Bank will not without, but may from time to time with, the prior approval of the Superintendent make any such deletion, amendment or variation which might affect the classification afforded the Series 47 Preferred Shares from time to time for capital adequacy purposes pursuant to the Bank Act or the Capital Guidelines.

12. Approval of Holders of Series 47 Preferred Shares

Any approval given by the holders of Series 47 Preferred Shares will be deemed to have been sufficiently given if given by a resolution passed at a meeting of the holders of Series 47 Preferred Shares duly called and held on not less than 21 days' notice at which the holders of at least one-third of the outstanding Series 47 Preferred Shares are present or are represented by proxy and carried by the affirmative vote of not less than 66 2/3% of the votes cast at the meeting. If at the meeting the holders of at least one-third of the outstanding Series 47 Preferred Shares are not present or represented by proxy within 30 minutes after the time appointed for the meeting, the meeting will be adjourned to such date, not less than 21 days afterwards, and to such time and place as the chairman of the meeting may designate, and not less than 15 days' written notice shall be given of the adjourned meeting. At the adjourned meeting, the holders of Series 47 Preferred Shares present or represented by proxy may transact the business for which the meeting was originally

called and a resolution passed at the adjourned meeting by the affirmative vote of not less than 66 2/3% of the votes cast at the meeting will constitute the approval of the holders of Series 47 Preferred Shares. On every poll taken at any meeting or adjourned meeting, every holder of Series 47 Preferred Shares will be entitled to one vote in respect of each Series 47 Preferred Share held. Subject to the foregoing, the formalities to be observed in respect of the giving of notice of any meeting or adjourned meeting and the conduct of any such meeting will be those from time to time as may be prescribed in the by-laws of the Bank with respect to meetings of shareholders or under the Bank Act.

13. Registration of Series 47 Preferred Shares and Transfer, Redemption, Purchase and Exchanges Through the Book-Entry System

(1) **Global Certificate.** Subject to subsections 13(2) and (3) and notwithstanding any other provision of these Series 47 Preferred Shares Provisions, the Series 47 Preferred Shares will be issued in the form of one or more fully-registered global certificates in the aggregate number of Series 47 Preferred Shares issued by the Bank and outstanding from time to time (the “Global Certificate”) held by, or on behalf of, the Depository as custodian of the Global Certificate for the participants (“Participants”) in the Book-Entry System, and will be registered in the name of “CDS & Co.” (or such other name as the Depository may use from time to time as its nominee name for purposes of the Book-Entry System) and registrations of ownership, transfers, redemptions, purchases, surrenders and exchanges of Series 47 Preferred Shares will be made only through the Book-Entry System to another nominee of the Depository for the Series 47 Preferred Shares or to a successor Depository for the Series 47 Preferred Shares approved by the Bank or to a nominee of such successor Depository. Accordingly, subject to subsection 13(3), the beneficial owners of Series 47 Preferred Shares will not receive a certificate or other instrument from the Bank or the Depository evidencing their ownership of Series 47 Preferred Shares, and beneficial owners will not be shown on the records maintained by the Depository, except through a book-entry account of a Participant acting on behalf of a beneficial owner.

(2) **Depository is Owner of Series 47 Preferred Shares.** For purposes of these Series 47 Preferred Shares Provisions, as long as the Depository, or its nominee, is the registered holder of the Series 47 Preferred Shares:

- (a) the Depository, or its nominee, as the case may be, will be considered the sole owner of the Series 47 Preferred Shares for the purpose of receiving notices or payments on or in respect of the Series 47 Preferred Shares, including payments of dividends or the Cash Redemption Price; and
- (b) the Bank, pursuant to the exercise by it of its right to redeem Series 47 Preferred Shares, will deliver or cause to be delivered to the Depository, or its nominee, for the benefit of the beneficial owners of the Series 47 Preferred Shares, the Cash Redemption Price against delivery, if applicable, to the Bank’s account with the Depository, or its nominee, of such holder’s Series 47 Preferred Shares.

(3) **Termination of Book-Entry System.** If at any time the Bank determines or the Depository notifies the Bank in writing that the Depository is no longer willing or able to discharge properly its responsibility as depository and, in either case, the Bank is unable to determine a qualified successor, or the Bank, at its option, elects, or is required by law, to terminate the Book-Entry System, subsections 13(1) and (2) will no longer be applicable to the Series 47 Preferred Shares. In that case, the Bank will execute and deliver certificates for the Series 47 Preferred Shares in definitive registered form equal to the aggregate number of Series 47 Preferred Shares represented by the Global Certificate in the Book-Entry System. On such exchange, the Transfer Agent will cancel the Global Certificate. Certificates for Series 47 Preferred Shares in definitive registered form issued in exchange for the Global Certificate will be registered in such names and in such number of Series 47 Preferred Shares as instructed in writing by the Depository to the Transfer Agent. The Transfer Agent will deliver or cause to be delivered such definitive certificates to the persons in whose names the Depository has so instructed.

14. Notices

(1) **Notice to the Bank.** Subject to applicable law, any notice, request or other communication to be given to the Bank by a holder of Series 47 Preferred Shares must be in writing and will be valid and effective if given by mail (postage prepaid) or by electronic communication or by delivery to the registered office of the Bank and addressed to the attention of the Corporate Secretary. Any such notice, request or other communication, if given by mail, electronic communication or delivery, will be deemed to have been given and received only on actual receipt by the Bank.

(2) **Presentation and Surrender of Certificates.** Any presentation and surrender by a holder of Series 47 Preferred Shares to the Bank or the Transfer Agent of certificates representing Series 47 Preferred Shares in connection with the redemption of Series 47 Preferred Shares must be made by registered mail (postage prepaid) or by delivery to the registered office of the Bank or to such office of the Transfer Agent as may be specified by the Bank, in each case addressed to the attention of the Corporate Secretary. Any such presentation and surrender of certificates will be deemed to have been made and to be effective only on actual receipt by the Bank or the Transfer Agent, as the case may be. Any such presentation and surrender of certificates made by registered mail will be at the sole risk of the holder mailing the same.

(3) **Notice to Holders of Series 47 Preferred Shares.** Subject to applicable law, any notice, request or other communication to be given to a holder of Series 47 Preferred Shares by or on behalf of the Bank must be in writing and will be valid and effective if given by ordinary unregistered first class mail (postage prepaid) or by electronic communication or by delivery to the address of the holder recorded in the securities register of the Bank or, in the event of the address of any such holder not being so recorded, then at the last known address of such holder. Any such notice, request or other communication, if given by mail, will be deemed to have been given and received on the fifth Business Day following the date of mailing and, if given by electronic communication or by delivery, will be deemed to have been given and received on the date of electronic communication or delivery. Accidental failure or omission to give any notice, request or other communication to one or more holders of Series 47 Preferred Shares, or any defect in such notice, will not invalidate or otherwise alter or affect any action or proceeding to be taken by the Bank pursuant to that notice, request or other communication.

15. Tax Election

The Bank will elect, in the manner and within the time provided under section 191.2 of the Tax Act or any successor or replacement provision of similar effect, and take all other necessary action under the Tax Act, to pay tax under Part VI.1 of the Tax Act at a rate such that holders of the Series 47 Preferred Shares will not be required to pay tax on dividends received (or deemed to be received) on the Series 47 Preferred Shares under section 187.2 of the Tax Act or any successor or replacement provision of similar effect. Nothing in this section will prevent the Bank from entering into an agreement with a taxable Canadian corporation with which it is related to transfer all or part of the Bank's liability for tax under section 191.1 of such Act to that taxable Canadian corporation to the extent permitted by and in accordance with section 191.3 of such Act.

16. Return of Unclaimed Funds to the Bank

The Bank shall have the right, with respect to any funds deposited by the Bank to any chartered bank or trust company in respect of amounts due to holders of Series 47 Preferred Shares, on or after the first anniversary date of the deposit of such funds to any chartered bank or trust company, to require that such chartered bank or trust company return to the Bank any funds which remain unclaimed by holders of the Series 47 Preferred Shares. If at any time following the return of the unclaimed funds to the Bank, either the Bank or the chartered bank or trust company receives a request from a holder of Series 47 Preferred Shares for the holder's unclaimed entitlement to any amount due to the holder in respect of the holder's Series 47 Preferred Shares, the Bank shall promptly arrange for the payment of such amount to the holder.

17. Wire or Electronic Transfer of Funds

Notwithstanding any other right, privilege, restriction or condition attaching to the Series 47 Preferred Shares, the Bank may, at its option, make any payment due to a holder of Series 47 Preferred Shares hereunder by way of a wire or electronic transfer of funds to each registered holder of Series 47 Preferred Shares. In the event that a payment is made by way of a wire or electronic transfer of funds, the Bank shall be responsible for any applicable charges or fees relating to the making of such transfer. As soon as practicable following the determination by the Bank that a payment is to be made by way of a wire or electronic transfer of funds, the Bank shall notify each registered holder of Series 47 Preferred Shares at the address of such holder as it appears on the books of the Bank. Such notice by the Bank will request that each registered holder of Series 47 Preferred Shares provide the particulars of an account of such holder with a chartered bank in Canada to which the wire or electronic transfer of funds shall be directed. In the event that the Bank does not receive account particulars from a registered holder of Series 47 Preferred Shares prior to the date such payment is to be made, the Bank shall deposit the funds otherwise payable to such holder in a special account in trust for such holders. The making of a payment by way of a wire or electronic transfer of funds or, in the case where a registered

holder of the Series 47 Preferred Shares has not provided the Bank with account particulars for a wire or electronic transfer of funds, the deposit by the Bank of the funds otherwise payable to such holder in a special account in trust for such holders, shall be deemed to constitute payment by the Bank on the date thereof and shall satisfy and discharge all liabilities of the Bank for such payment to the extent of the amount represented by such transfer.

We, Laurent Ferreira, President and Chief Executive Officer, and Marie Chantal Gingras, Chief Financial Officer and Executive Vice-President, Finance of National Bank of Canada, certify that the foregoing is a true copy of the share conditions attaching to the non-cumulative 5-year rate reset First Preferred Shares Series 47 (Non-Viability Contingent Capital (NVCC)) of the Bank and that such share conditions are in full force and effect and have not been amended.
